MEMORANDUM FOR THE RECORD

SUBJECT: Director's Conversation with Senator Stennis (D., Miss.)
re Marchetti Case

1. The Director told me today that he had just had a meeting with Senator Stennis regarding our plans for taking action on the Marchetti case. According to the Director, Stennis interposed no objection to the course of action the Director outlined, but expressed some doubts as to how successful it would be.

2. In the same conversation the Director thanked Stennis for his expediting the confirmation of General Walters. Stennis replied that the Director's recommendation had "brought him around" on this issue.
